5:00 P.M.      Board of Education Work Group Session                      Sturgeon Bay Board Room

Members of the Board of Education plan to attend a special work group session on Wednesday, May 30. This session was added following the May 2 regularly scheduled Board of Education Learning Session.

The Finance, Facilities, and Operations work group plans to meet on May 30 to discuss the April 4 Board learning session facility study presentation and potential next steps.

Additionally, the work group may discuss a process or potential timeline for the coming months in order to update Appendix G of the Salary & Supplemental Pay guide for Professional Staff (Post-employment Benefits).

As with Board learning sessions and past work group sessions, no formal action will be taken. The Board of Education would plan to take any formal action in the future at a regularly scheduled Board of Education meeting.
