

Attention High School Band Parents!!!

Please make sure your child's band pants are properly hemmed by Friday, September 22. Any band pants that are not hemmed for the performance will be purchased by the user for \$40. A proper hem **does not** include duct tape, staples, pins or a machine run straight stitch. Never cut off the leg of the pants. Roll them in and press it prior to sewing. A link for hemming pants:
