2020 REFERENDUM UPDATE

On April 7, 2020 residents of the Sturgeon Bay School District will have the opportunity to vote on a \$16.84 million facilities referendum that will address safety/security and high priority capital maintenance throughout the District. In addition, the proposed referendum plan will make enhancements to our Career and Technical Education spaces and maximize efficiency throughout the District as we continue our tradition of being **“Anchored in Excellence.”**

YOU SPOKE...

The referendum solution is founded on community feedback and taxpayer priorities garnered through the community survey.

Thank you to the nearly 1,000 residents who shared input and feedback throughout this process.

We Listened.

 **79%** of all survey respondents support the District in exploring a referendum to update our facilities.

 **75%** of all survey respondents support closing Sunset Elementary and reconfiguring the grades at Sawyer Elementary School.
