18-19 Pep Tune List

Put your pep band flip folder in the following order. All songs are numbered and in order in your packet. If you are missing anything look through your packet and cut out what you need and put it in your flip folder.

Make sure you don't overlap unless you have a 2 pager. You will need 25 windows. Use the front sides for the first 25 songs and the back side for the last 25 songs. **Do not** put song 1 on one side and song 2 on the back of the same page. Your flip folder will be dysfunctional that way. Put song 2 on the front of the 2nd page. (NO roto pages.) If you are missing songs, please leave the slot open and tell Mrs. H. Number the songs in highlighter before you cut them so you can quickly find them). Doing this completely and correctly will make pep band much easier for you!!! If in doubt ask for help.

Upper classmen – there are 17 new songs this year and orders have changed. Update your book or empty and start over.
