- **Helpers needed for May 24** - I need a few helpers to play along with the 5<sup>th</sup> graders in their band concert. I need a flute player, a couple percussionists, a trombone player, a clarinetist and a trumpeter to play along with them and help with getting them set to go before and after they play in the concert. Speak with me if you are interested. It's an easy gig.
- **Uniforms** – Make sure you have properly hung your uniform up after the concert. Thanks for getting them all home. Well done.
- **Flip folders** – Make sure you know where yours is. After the pep assembly for state track, we collect them and you need to turn in the one that you were issued in complete form.
- **Percussionists-** start assembling your stick bags to the format they were issued in.
- **Locks on lockers-** make sure you know where your issued lock for your band locker is for end of year clean up and check out.
- **Practice horns** – if you have practice horns at home, please start bringing them back in for inventory. If you need a school owned horn checked out to you over summer, please see me so we can make sure proper maintenance is completed on the horn prior to summer.
- **Band lockers** – start cleaning some of the excess items that you no longer need so the end of year sweep and wash of the band lockers can go quickly. Get rid of garbage and take your dishes home please.
- **Trip Memory Disks are in** – they were passed out in class last week. Please make sure yours is our band. I have a couple that were another group that got in our packet. Let me know by Wednesday if you need a new one.
- **4<sup>th</sup> of July Parade volunteers needed!!** Please take one of the slips and it is required to return it even if you cannot attend. You need a parent signature on this regardless of whether you are attending or not. Turning in with parent signature is graded in the grade book as all or nothing. You are NOT however required to participate in this parade. It is strictly voluntary for letter points, service hours and for promoting community. It is a fun parade and all who participate are invited to a cook out pool party after the parade. Middle school students are also welcome and encouraged to play along. There will be rehearsals for the parade on Thursday, June 28 and Tuesday, July 3 from 6-8 p.m. with percussionists coming 30 minutes early to learn the street beat. Join us for a good time!!
- **Econo Foods Receipts:** Please continue to save your Econo Foods slips and bring them in for the band program. We also take turkey bucks to donate to a family in need.
- **Have a great week!! Pride, Communication Responsibility – All In!**
