Sturgeon Bay School District Lunch Menu

Join us for school lunch...if the district wide menu isn't what your student prefers, we offer premade salads daily (veggie, chef, chicken oriental and plant varieties). If your student has menu suggestions let us know! Students are our customers, we look forward to seeing them every day in our meal programs! Each school lunch line has choices and fruit/vegetable selections are unlimited.

Students who participate in school meals:

- are ready to learn.
- are more food secure. School meals are a fair price and available daily.
- are more balanced than most cold lunch meals packed.
