If you would like to make a donation to our band, please contact Heidi Hintz, band director at 920-746-3874 or email at hhintz@sbsdmail.net

Our current projects that we are seeking support for are:

The annual pops concert where we raise funds through a bucket raffle and silent auction to help support scholarships for private music lessons and band camps for our band students as well as curricular trips to enrich our students music education.

Sturgeon Bay High School 50th Anniversary in 2018-19 – we plan to commission a band work that will honor this milestone event and give our students the opportunity to experience working on a piece of music with a live composer from inception to world premiere. We are seeking monetary donations as we need to raise \$10,000 to make this dream a reality.
