Hello Sturgeon Bay School District Families –

Our students' wellness is important to us, and we want to ensure that all students have access to school meals while our district is shut down.

School meals could be delivered to your homes on Mondays, Wednesdays, and Fridays until schools reopen. Deliveries will start on Monday, March 23.

If you want to receive meals, please call your school's secretary (see numbers above). If you have students in more than one school, you need to call only one school's secretary. When calling, please provide the following information: the number of students to receive meals and the delivery address.

The reservation deadline is Friday, March 20, at 3:30 p.m. School office hours are 7:30 – 3:30.

FAQs

Households receiving meals can include children any age up to 18 as well as children up to age 21 if those children receive special education services.

Meals will be delivered to all students who request it, even if you are open enrolled and live outside of the district. Outside district deliveries will be via school van.

Delivery time will be between 11:00 and 12:30. Please watch for deliveries on the first Monday to help our drivers find your house/apartment.

For food allergen concerns/questions please contact Jenny Spude, RD, School Food Service Director jspude@sturbay.k12.wi.us or 746.3877.
